Parents – Have you activated your Family Connection account yet? Click below and select the appropriate school to register and become a partner in your student’s success. Access codes are provided by the student’s school.

When you visit the site (<http://www.montgomeryschoolsmd.org/career-readiness/naviance.aspx>) for the first time, you must register your account using your personal registration code. Follow the on-screen instructions to create your own account. If you do not know your registration code, contact the counseling office for assistance. Note that you and your student may receive different registration codes and that each code can be used only once. Once you have your own account, you will sign in using the user name and password you chose during the registration process.
