

## Career Technology Education (CTE) Summer Camps 2017

**June 26 – 29 &  
July 31 – Aug. 3**      **Automotive Tech & Collision/Repair**  
**Gaithersburg High School – 8:00 a.m. – 12:30 p.m.**

**Automotive Technology** - Get your hands dirty working on cars in your spare time. Do oil changes, operate and safely use shop equipment like a lift, air tools, learn basic electrical principles, and perform brake services.

**Auto Body Collision and Repair** - Repair a little scratch or ding in a car; erase imperfections of a car's appearance. Learn how to repair a small dent, apply and sand primer, and then repaint the repaired panel. Also engage in detailing the interior and exterior of a car in order to prepare it for retail sale.

---

**June 26 – 29**                      **Captivating Cuisine & Money Smart: Practices to Make You a Millionaire**  
**Rockville High School – 8:00 a.m. – 12:30 p.m.**

**Captivating Cuisine** – Learn the culinary arts and food service management skills. Prepare foods from international cuisines. You will practice skills and techniques used by chefs, caterers, and others in the food service and hospitality industry.

**Money Smart: Practices to Make You a Millionaire** – Engage in interactive hands-on activities and real-world simulations to develop financial literacy skills, including goal setting, savings, spending and budgeting, investing, and entrepreneurship. This camp is for those who aspire to be a chief executive officer or simply to manage a bank account.

---

**June 26 – 29 &  
July 31 – Aug. 3**                      **Pre-Engineering/Game Design & Robotics/Programming**  
**Richard Montgomery High School – 8:00 a.m. – 12:30 p.m.**

**Pre-Engineering/Game Design & Robotics/Programming** – Explore bridge construction challenges, circuitry, trains, and learn how to build Lego robots and program them. Design your own video game using Scratch and other applications. Engage in hands-on STEM projects that will allow you to develop your creativity and critical thinking skills. Work on projects through the lens of an engineer.

**Career Technology Education (CTE) Summer Camp Registration**  
**Dept. of Career Readiness & Innovative Programs ♦ Montgomery County Public Schools**
