- The GIVE BACKpacks campaign raises funds to purchase backpacks for students who qualify for Free and Reduced - Price Meals (FARMS). The quantity of backpacks purchased is based solely on the amount of donations received. Our goal for 2018–2019 is to raise enough funds to purchase 20,000 backpacks with school supplies. Our ideal goal is to purchase 50,000 backpacks.

Where can students get free backpacks? How are students selected to receive free backpacks and supplies?

- Backpacks with school supplies will be delivered directly to the schools during the week of August 20, 2018. Each school's administrative team decides on the best process to communicate and distribute backpacks to students in need.
