## QUANTITY PRICING AVAILABLE

With the support of Montgomery County Public Schools, the MCSITF supports students' interest in pursuing information technology (IT) career paths with both instructor-led and hands-on education and training. Students graduate with industry certification and are prepared to enter college and the IT industry workforce with experience and confidence. Your purchase pays for student industry-standard IT certification test vouchers.

For additional information please contact **John Brewer @ 301-929-6975 (john\_n\_brewer\_iii@mcpsmd.org)** or visit the ITF Web site at <http://www.itfcareers.org>
