**Dell Desktop Personal Computers**

(Cash or check with a valid ID accepted— no credit/debit cards)

These used PCs were **refurbished and tested** by ITF students as part of their classroom and lab experience. Each computer includes a DVD drive, flat panel LCD monitor, speakers, keyboard, mouse, and Anti-Virus Protection.

With the support of Montgomery County Public Schools, the MCSITF supports students' interest in pursuing information technology (IT) career paths with both instructor-led and hands-on education and training. Students graduate with industry certification and are prepared to enter college and the IT industry with experience and confidence. Your purchase pays for student industry standard IT certification test vouchers.
