\*For participants who already have passed the Maryland HSA; for credit recovery only

The student and his/her parent(s)/guardian(s)—

- Pledge that all work submitted in the OPTG program will be done only by the student;
- Are responsible for ensuring that the work necessary for the OPTG program is completed in accordance with the timeline developed by the school.

The online coordinator will develop a timeline and completion date schedule for the OPTG program, periodically monitor the student's progress, and submit student's grades. In addition, the online coordinator will assist the student in developing a plan for computer lab access at school or at the Center for Technology Innovation, if necessary.

The student must meet all other state and local graduation requirements in order to receive a Maryland High School diploma. By signing this document, you indicate agreement with the terms of the OPTG program plan developed for this student and accept the responsibilities outlined above.
