General Information

ACCOMMODATIONS

On the first day of class, parents and/or legal guardians should provide the summer school site administrator with a copy of the accommodations included on the student's Individualized Education Program (IEP) or 504 Plan (if applicable). A special educator will be on site.

ATTENDANCE

The highly concentrated programs offered in the high school summer school sessions make full-time attendance necessary. Explanatory notes from parents will be required for absences and tardies, and all cases will be subject to verification by the summer school site office. Students having more than two absences or six tardies will be withdrawn and no credit, no grade, and no refund will be given.

CANCELLATION OF COURSES

Classes that do not meet enrollment requirements will be cancelled. Students will be notified if their class is cancelled and given the opportunity to switch to another class and/or location or request a refund.

CLEARANCE

All fees must be paid and all books and materials loaned to students for the summer session must be returned to the appropriate teachers.

DISCIPLINE

Students are expected to comply with all rules and regulations of MCPS and their summer school site. A student who is suspended for more than two days will be withdrawn from the program. The summer school program is accelerated and a student who misses more than two days would be impacted educationally and would have difficulty passing the class.

ELIGIBLE STUDENT

The high school summer school is for students who are presently enrolled in Grades 9–12. Students who have completed Grade 8 may take a credit course with the recommendation of their home school principal (or designee) and the approval of their receiving high school's principal (or designee). Careful planning is critical to the high school program.

INTERIMS

Interims will be distributed to all students:

Session 1—July 3, 2018

Session 2—July 25, 2018

GRADUATION INFORMATION

Graduation information packets, including forms, will be available from the summer school site secretary. MCPS students planning to graduate upon successful completion of summer school need to submit selected forms to the summer school site secretary no later than **Thursday, July 26, 2018**.

- **Mandatory Rehearsal:**
Tuesday, August 7, 2018, at Richard Montgomery High School auditorium, 2:00 p.m.
- **Graduation:**
Thursday, August 9, 2018, at Richard Montgomery High School auditorium, 11:00 a.m.

INCLEMENT WEATHER

In case of inclement weather resulting in school closures, the school day may be extended by up to 1.5 hours.

Emergency weather-related messages will be announced (as during the school year,) via television and radio stations and the MCPS website. Recorded emergency information also can be accessed by calling 301-279-3673.

MEDICAL INFORMATION

Please Note: Notify the summer school site of any important medical information pertaining to the student.

PROGRESS CHECKS

MCPS mandated progress checks will be administered at designated times each session.

REFUNDS

The deadlines to request a refund:

- Session 1: Friday, June 29, 2018
- Session 2: Monday, July 23, 2018

Refund guidelines:

- Full refunds will be made if a class is cancelled due to insufficient enrollment.
- Full or partial refunds may be made for students who attend class for the first five days of a session or less. A parent/guardian must request the refund prior to the refund deadline.
- Full or partial refunds may be made for students who must withdraw due to hospitalization or a documented personal illness. A parent/guardian must request the refund prior to the refund deadline.
- No refunds will be made if a student is withdrawn from summer school due to excessive absences.
- No refunds will be made if a student is suspended or expelled from summer school.

Refunds may take up to eight weeks, and will be processed in the form of checks (including tuition payments that were originally paid with credit cards).

(Form is located at www.montgomeryschoolsmd.org/departments/extendedhours/summerschool)

REGISTRATION

See the guidelines on page 2 for instructions on how to register. An online registration form is located at www.montgomeryschoolsmd.org/departments/extendedhours/summerschool

REPORT CARDS

Report cards will be mailed to students' homes at the end of the course. For non-MCPS students, a copy of the report card will be mailed to each student's home school and home.

RESIDENT/NONRESIDENT STUDENTS

- **Resident**—a student residing year-round in Montgomery County, or whose parent or legal guardian is a county resident.
- **Nonresident**—a student whose home school and parent or legal guardian are outside Montgomery County.
- International students attending non-U.S. schools and not registered with the MCPS School Counseling, Residency, and International Admissions Office are not eligible to enroll in the program.

TRANSCRIPTS

MCPS students—contact your school counselor for an updated transcript.

Non-MCPS students will NOT receive a summer school transcript.

English for Speakers of Other Languages Summer School Registration

The English for Speakers of Other Languages (ESOL) students in Levels 1–3, who wish to register for summer school should complete the Google registration form for the appropriate session and course. Partial waivers are available by completing the Waiver Form. ESOL resource teachers (RT), school-based ESOL counselors, and the students' counselors will be available to assist students with registration.

Students enrolled in ESOL Levels 1–3 courses will use texts and materials from the Milestones program to develop listening, speaking, reading, and writing skills in English. Students in the Enrichment ESOL Lab courses will have the opportunity to further develop their academic language in English and access to the *Edge* program with adjusted pacing based on their ESOL level.

The ESOL Lab course option is intended for ESOL students who recently arrived at MCPS during second semester and are not ready to move to the next ESOL level and do not need any previous ESOL-level courses.

To enroll in this program, a **high school** student must—

- be a current MCPS student enrolled in the ESOL program;
- be recommended by the ESOL RT, whose signature will be required on the student registration form; and
- be currently enrolled in ESOL Levels 1–3 courses for high school.

To enroll in this program, as an **incoming ninth grader**, the student must—

- be a current MCPS middle school student enrolled in the ESOL program;
- obtain recommendation from the middle school ESOL teacher;
- obtain approval from the high school principal or designee before registering; and

Location: Rockville HS
Dates: July 6–August 3, 2018
Hours: 9:40 a.m.–1:10 p.m.
Tuition: MCPS \$140 and MCRD \$200

For further information about Project Discovery and a registration form for this program, contact Jane Juliano at 301-657-4959. Completed registration must be accompanied by a check or money order made payable to MCPS for \$140, and one to MCRD for \$200.

The deadline for submitting registration forms is Friday, May 11, 2018.

Please send completed registration to Jane Juliano, Physical Disabilities Program, 8001 Lynnbrook Drive, Bethesda, MD 20814.

MCPS NONDISCRIMINATION STATEMENT

Montgomery County Public Schools (MCPS) prohibits illegal discrimination based on race, ethnicity, color, ancestry, national origin, religion, immigration status, sex, gender, gender identity, gender expression, sexual orientation, family/parental status, marital status, age, physical or mental disability, poverty and socioeconomic status, language, or other legally or constitutionally protected attributes or affiliations. Discrimination undermines our community’s long-standing efforts to create, foster, and promote equity, inclusion, and acceptance for all. Some examples of discrimination include acts of hate, violence, insensitivity, harassment, bullying, disrespect, or retaliation. For more information, please review Montgomery County Board of Education Policy ACA, *Nondiscrimination, Equity, and Cultural Proficiency*. This Policy affirms the Board’s belief that each and every student matters, and in particular, that educational outcomes should never be predictable by any individual’s actual or perceived personal characteristics. The Policy also recognizes that equity requires proactive steps to identify and redress implicit biases, practices that have an unjustified disparate impact, and structural and institutional barriers that impede equality of educational or employment opportunities.
