Maximo (Maintenance Work Order System):

How do I get a Maximo Account?

For a basic level of access to Maximo (like school users have), [send an e-mail to Richard Cox](#) requesting a Maximo account. Include your employee ID#, work phone number, work location, and position.

Mr. Cox will send an e-mail reply that contains your new Maximo account information.

For an advanced level of access to Maximo, contact Richard Cox 301-548-7531 to discuss your needs. He will identify the most appropriate level of access and give additional information for creating your new account.

How do I access Maximo from my school desktop?

The web address for Maximo is: <http://maximo.mcpsmd.org/>. You can type the address for Maximo directly into your internet browser address field. Contact your schools computer person (ITSS) to either have a shortcut placed on your desktop or Maximo listed on your favorites list.

Important Message: Computer and Email Security

- Do not leave your computer unattended while you are logged in
- You can lock the computer at any time by pressing the Windows logo key+L on your keyboard
- It is a security violation if you share confidential access credentials provided to you by MCPS

By logging into a computer or account supplied by MCPS you acknowledge you have read [MCPS Regulation IGT-RA](#) (User Responsibilities for Computer Systems and Network Security), and understand its contents. Violation of the regulation is unethical and may be a criminal offense. Should you commit any violation, your access privileges may be revoked, disciplinary action may be imposed, and/or appropriate legal action may be taken.

- What are “phishing” email messages? An attempt to gain sensitive, confidential or personal information such as usernames, address, phone numbers or passwords from a mail recipient
- Typically, the message appears to be legitimate and/or from a trusted source

It is important that you know that MCPS network administrators will NEVER ask for your password. If you receive a suspicious email, please forward the email to abuse@mcpsmd.org. Do not reply to the email and do not click on the link. If you do accidentally fall for a phishing scam it is very important that you change your password immediately and notify your school’s technical support staff.
