A Letter from the Desk of the 3rd Grade Team...

Dear Parents,

We are off to a great start here in third grade. The children seem to be settling in well and are adjusted to our daily routines.

As students bring home graded/corrected work, it is beneficial if you review it with your child. We want to make sure that you are aware of how your child is progressing in school. Please also make sure that you send the Wednesday envelopes back every Thursday.

Thanks as always for your support, and please contact us with questions or concerns.

Fondly,

The Third Grade Team
Mrs. Ferrari, Mr. Mills, & Mrs. Russell
