

“The Black Horse Stampedes through the Competition!”

B-CC Girls tennis team has always been known as the “black horse” of competition due to the exceptional experience and talents of the ladies on the team, but have never receive the proper recognition for it. This season I can proudly say that they went above and beyond and received positive and well deserved recognition, not only from the B-CC community but from opposing coaches, teams and area newspapers. This team consists of so many different levels and sparks of talent, which has assisted in the team’s extraordinary season.

Season started off great with win after win, the team then fell to Walt Whitman but heads were still hung high for their never ending efforts to perform flawlessly. That loss didn’t stop the girls from striving for the goal of finishing the season with no more losses. The highlight match versus Churchill was heart racing with team unity being stronger than ever! This match came down to the top player in the county Lauren Pinsky and B-CC’s new, incoming freshman Anna Rozenberg. The match was long and looked liked something from the U.S. Open, with fierce play and movement among the court. After going through 3 sets and Anna winning the last match point, I have never seen the team so excited and stunned, they did it, they beat the top player and school in the county! That gave them an abundance of hope to take the county title.

Prior to the county tournament the team ended the regular season with 11 wins and 1 loss within that record they went 6-1 in Division I, and they still ended up taking the Division I title in Montgomery County. Entering the county tournament, hopes were high and confidence was strong for all ladies that were entered. Taylor Newman received 1st place at the #2 singles spot and Anna Rozenberg received 2nd place at the #1 singles spot due to retiring with an ankle injury. All players made it through 1st and/or 2nd round of the tournament which is commended and B-CC received 3rd place overall as a team. A few girls were entered into the Regional tournament this year and played their last go around for the season, they were; Anna Levitt & Nada Ezzat (doubles), Madison Yeutter & Cameron Kelly (doubles) and Anna Rozenberg (singles).

Several players were commended for their seasonal play and victories through All-County Gazette Teams. Anna Rozenberg received All-Gazette first team; Taylor Newman received All-Gazette Honorable Mention along with Madison Yeutter and Cameron Kelly for doubles. This years Sportsmanship award was given to the teams fun-loving, energetic and optimistic senior player Nada Ezzat and the “Barons” award was given to our team sweetheart and most committed and respectful junior player Madison Yeutter.

This season success also couldn’t have been done without the commitment and never-ending support from all the parents and administration. I am forever thankful and full of gratitude and look forward to next season! Great job to the following ladies, Campbell Burr (Capt.), Anna Levitt (Capt.), Laura O’Brien (Capt.), Nada Ezzat (Capt.), Madison Yeutter, Cameron Kelly, Marie Fanjoy, Lauren Hoover, Taylor Newman, Isabel Sackner-Bernstein, Kristan Mallett, Katherine Potocka, Kayla Hanley, Ellie Magner, Carmen Hurtado-Esteve, Sophia Asmuth, Anna Rozenberg and Hannah O’Malley.
