

## AP/IB Exam Attendance Policy/Permission Slip

Students taking AP and IB exams may be excused from the remainder (AM or PM) of the school day on their exam days with prior parent permission. Please note that this policy does not excuse students from classroom tests and deadlines. Students should check with their individual teachers to make sure they are current with their classroom and homework assignments.

Students need to submit this completed & signed form to the Attendance Secretary, **by no later than the morning prior to their first exam.**

Please put a check next to the exams that you will be taking. Remember that IB exams may have papers administered on different days. You will not be excused for the remainder of the day unless you are registered for and take the exams you have checked off.
