

# General Vocal Music

2010 – 2011

*Ms. Barbara Canatella*

*As the Bethesda Elementary School specialist, my goal is to:*

- *raise the awareness and understanding that music is a reflection of culture and history.*
- *facilitate recognition that music speaks to the soul, the senses, and the intellect*
- *encourage an enjoyment and appreciation of music for each child*
- *instill a confidence that success in music is attainable by all!*
