

# **Burning Tree**

**by Elizabeth and Jamie**

**Burning Tree is the best  
There is always room to impress  
The people are nice and clean  
The teachers are never mean.**

**Burning Tree is for me!  
Burning tree is for she and he  
Some people are carefree  
But that is the way we are ö you must agree**

**Learning is the key at Burning Tree  
We learn to write and read  
Students always succeed  
Most end up getting their PhD**

**There is no greed  
NO ONE DISAGREE  
We try to be the best we can be  
Here at Burning Tree!**

**At music we learn to sing fiddle-dee-dee.  
With Mrs. Drake we make no mistakes.  
During band people play instruments with bows, sticks, and reeds.  
They learn from Mr. Scarci.  
At art with Mrs. Price we use materials from beads and stencils  
We get our physical education from Mr. Bencal**

**We must confess  
The homeroom teachers are the best.  
F-R-O-G  
Burning Tree is the place for you and me!**
