At Burning Tree we celebrate our community
We're **honest** and we show **respect**
Cooperation is the key
We love to learn and grow
And share all that we know
Burning Tree, oh Burning Tree
We love thee

We use our **moral courage**
To stand up for what we believe
And when we are true to ourselves
It is then that we really achieve

At Burning Tree we show success
by working hard each day
Consideration and our **empathy**
helps show us the way
Our **responsibility**
helps us be all we can be
Burning Tree, oh Burning Tree
We love thee
Burning Tree, oh Burning Tree
We love thee!

At Burning Tree our character counts! The school song incorporates various core values that our school focuses on each month. These core values are highlighted in pink.
