

New "Kiss and Ride" Policy

Student Drop-Off Zone and Parking Regulations

Beginning the first day of school, we will be using a student drop-off and pick-up zone, on the school side of Beech Tree Road from the school driveway to the intersection of Beech Tree and Winterberry Lane. The parking restrictions adjacent to this area will be strictly enforced. They are:

"**No U-Turn**" on Beech Tree Road in the two blocks between Winterberry Lane (southern intersection) and Winterberry Lane (northern intersection), and also on Winterberry Lane (southern intersection) between Beech Tree Road and Summer Mill Court.

"**No Standing School Days, 8:30 to 9:30 a.m., 3:00 to 4:00 p.m.**" on the school side of Beech Tree Road, between the school driveway and Winterberry Lane (southern intersection). This allows parents to pick up or drop off students, but not to park and leave their vehicles.

"**No Stopping Any Time**" at the corner clearances of Beech Tree Road/Maryknoll Avenue and Beech Tree Road/Winterberry Lane (southern intersection.) "No Stopping Any time" on the north side of Winterberry Lane and "No Stopping Any Time" on the east side of Beech Tree Road. In these areas, no drop-off/pick-up activities are allowed.

Traffic Safety

We are asking for your critical assistance and cooperation when you drop off your children or pick them up after school. The safety habits your child is developing now will be the habits he or she uses when not under your supervision.

- ® When driving or walking, please obey the signals of our crossing guard.
- ® Please instruct your children to obey the patrols.
- ® Use the existing crosswalks to cross the street.
- ® When driving, do not stop or block the crosswalk as you go through an intersection.
- ® Have your child exit your vehicle on the sidewalk side only.
- ® Do not use the intersections to make a U-turn

Remember also that there are no cars permitted to use the driveway between the hours of 3:15 and 3:50 p.m. If you come into the parking lot prior to 3:15, it is expected that you are willing to stay until 3:50 or until all the buses have left. Thank you for your continued support in making Burning Tree Elementary School a safe place for all our children.

H.Chaset, Principal
