Electronic Device Policy for Winston Churchill High School:

- All electronic devices (computers, cell phones, digital readers or music devices, games, etc.) should be off and out of sight during class periods unless authorized by the teacher or instructional staff.
- Electronic devices may be used before the first class of the day (7:25), during transition time in the hallway between classes, during the designated lunch period (10:45-11:40), and after the last bell of the day (2:10).
- The use of electronic devices may be limited in any designated area around the building by instructional staff or the administration (i.e. for testing or other purposes).
- Failure to follow the policy will result in the electronic device being confiscated, parent notification, and/or disciplinary consequences by administration.
