

# Update from Mr. Gillenwater

February 1, 2012

It's hard to believe we're into the third marking period. Our band has been very busy lately at Clearspring. Our winter concert at Damascus High School was a great success, and our beginners had a blast playing Jingle Bells in the hallway for our school. The advanced band most recently participated in the Baker Middle School cluster concert. This was a great night of music making with the other schools in our cluster, and we hope you were able to see your son or daughter perform. It will soon be time to start preparing for our spring concert which is scheduled for Monday, May 21. Mark your calendars and we will see you then!
