

From Ms. Mendoza in the Art Room...

Our Clearspring students have been very busy in the Art Room.

Kindergartners used clay to make small bowls. After the bowls were fired in the kiln, the students painted their bowls and proudly took them home.

Students in first- and second-grade classes have been working on a variety of fall-themed projects.

Third-graders have been making landscapes using drawing, painting, and collage techniques.

Fourth-graders have been making replicas of Plains Indian shields, Pueblo pottery, and Navajo sandpaintings.

Fifth-grade students created sculptures of human figures using wire.

Please come visit the school to see the many works of art produced by our talented students!
