

Welcome to Clearspring Elementary School! We have approximately 630 students enrolled in Head Start through grade five. We take great pride in our dynamic programming in all areas of the building. We have four Elementary Learning Center classes and six classes for the Center for the Highly Gifted. Our staff is dedicated to meeting the needs of all students in order to meet the rigorous standards of a quality education in Montgomery County Public Schools. Our teachers collaborate weekly to plan for differentiated instruction. We meet monthly in grade level teaching and learning conferences to analyze student data and plan for additional small group instruction that includes reteaching and acceleration strategies. Our para-professionals work diligently with teachers to strengthen the academic skills of our students.

This is our fifth year of participation in PBIS (Positive Behavior Interventions and Supports). This behavioral program teaches students appropriate behavior by rewarding them when they demonstrate these behaviors. The students can earn tangible (school supplies) as well as non-tangible items (lunch bunches with staff, sitting in the teachers chair for the day, etc.). The ultimate goal is for desired behaviors to become intrinsic.

We have a very involved PTA and you are encouraged to join and be involved in your child's education.

We are looking forward to working with you and having a great year at Clearspring!

Mrs. Holly A. Steel
