Dear Cloverly Families,

We had a very successful first two weeks at Cloverly! We are ecstatic with the enthusiasm and eagerness of the nearly 450 students who returned to school ready to work, listen, and learn.

At Cloverly, we strive to maintain a positive and safe environment in which optimal learning can take place. Each student should have received the comprehensive Behavior Management Plan. Please read over its contents and share them with your children. Please sign and return the cover page to your child's teacher as soon as possible.

We believe that the success we have with each child will depend on the cooperative efforts of home and school. The best way for parents to support their children's education is through active participation. Hence, we encourage you to become involved in class, school-wide, and PTA activities. **We are in of need volunteers for lunch and recess.** Working in partnership, we will continue to maintain the high standards of excellence at Cloverly Elementary School. If you are interested in volunteering, please inform your child's teacher or call 301-989-5770.

Dr. Starr, School Superintendent, will be hosting "Listen and Learn" sessions with community and staff members. His next session will take place at Springbrook High School on September 12, 7-8:30 p.m. For information about other sessions, log onto the following link: <http://www.montgomeryschoolsmd.org/departments/superintendent/listen/>.
