November 19, 2010

## *Believe....Achieve....Succeed!!!*

### **Math Carnival Night**

Next week, Tuesday, November 30, 2010, join the staff and students for fun with mathematics. Math is around us everyday, in many ways and in almost everything we do. Why not enjoy a mathematical experience at our Math Carnival Night? The math committee is very excited to present math family learning night in a fun and engaging way. Students and parents will have an opportunity to participate in a variety of activities throughout the evening. Pizza will be served from 6:00pm-6:30pm, followed by a brief presentation and overview of the evening. The carnival fun begins at 6:40pm until 8:00pm. Mark your calendars and plan to come out and join us.

### **Lost and Found**

'Tis the season to locate all of those missing jackets, sweaters, and hats. The lost and found is located in the All Purpose Room. We have collected a variety of items that have not yet been reclaimed. Please don't hesitate, remind your child to check the lost and found for those long lost (misplaced) items.

## *Happy Thanksgiving*

### **Queen's Comments!**

Dear Cresthaven Families,

This is a good time to say thank you! We have successfully moved into our wonderful state of the art "castle" and I want to take this opportunity to let you know how thankful and appreciative I am of all the wonderful ways staff and parents support our children at school and at home. I wish you all a peaceful holiday with family and friends as you celebrate all that you are thankful for.

Mrs. Berry, Principal
