

International Baccalaureate Diploma Program

Albert Einstein High School

The International Baccalaureate (IB) Program provides highly motivated students an opportunity to pursue a rigorous, comprehensive curriculum based on a global perspective. Within a nurturing environment, this program is designed to prepare students for the university experience.

Advantages of IB Diploma Program:

- ✦ Opportunity to earn a universally recognized credential
- ✦ Challenging and exciting classes focusing on writing, thinking, communicating, and experimenting
- ✦ High standards in all subjects for both students and teachers
- ✦ A commitment to community and human welfare
- ✦ Possibility of entering college with advanced standing
