

# Renaissance Academy

## Albert Einstein High School

The Renaissance Academy emphasizes the development of mathematical, reading, writing, and public speaking skills and their application in the arts and sciences.

Students will master the skills, facts, and theories of academics necessary for college and post graduate success while developing critical thinking skills as they explore the ethical, interpretive, and interpersonal facets of knowledge, history and the arts. Unique student-parent-teacher partnerships are developed for individual student success.

Students may choose to study some of the following courses in greater depth:

Literature      Calculus      **The Arts**      Cultural Anthropology  
Environmental Systems      **French**      Oral Interpretation  
**AP English Language**      Statistics      Comparative Religion  
AP Biology      Musical Theatre      Journalism      Seminar in Peace  
HISTORY OF THE MIDDLE EAST      **Digital Art**      Psychology      Spanish

Treat people as if they were what they ought to be and you help them to become what they are capable of being.

—Goethe
