

The Frederick Keys
have invited MCPS students to participate in the
Keys for Reading Program

Here is how it works:

- **Each student is required to read four books suitable for their reading level.**
- **The program begins Tuesday, January 26th and ends Friday, March 5th.**
- **Each book must be recorded on the Keys for Reading bookmark.**
- **Bookmarks need to be signed/initialed by a parent or guardian.**

Once completed, students will return their bookmark to Mrs. Miller in exchange for a certificate of participation and a free general admission ticket to Montgomery County Keys for Reading Day at the ballpark!

Students that can not read may be read to.
Tickets arrive at the school on Monday, March 22nd.
Game day is Saturday, April 17th at 2:00 pm.
