Directions: Your child is to read for 20 minutes every night. The book can either be a “book club book” your child is reading in school that is on their reading level or a book of their choice. Each book should be read from beginning to end. Students should not read a couple pages from different books each night. In school, we are working on the skill of reading a book from cover to cover before moving on.

Listed below are reading comprehension questions. One question is to be answered every night (Mon.–Thurs./ 4 days). Homework journals are collected Mondays and given back the same day on Mondays. This way if you have a busy family schedule during the week and can’t get to your reading one night you have the weekend to complete it before it is due Monday morning!

Every homework entry should include the following:

1. Today’s date
2. Name of Book
3. Page numbers read
4. Complete sentence containing the question that was chosen.
5. Full paragraph response (5–6 sentences or more)
