

GMS 6TH GRADE STUDENT ORIENTATION

Please join us for one of Gaithersburg Middle Schools sixth grade student orientation sessions this summer. Come and tour the building, practice opening a locker, and meet some current GMS students and staff. We want all our incoming sixth grade students to attend **one** session this summer! We hope you can join us and look forward to meeting you!

Parents please meet in the Media Center for a session to learn about the transition to middle school. We will discuss many policies and procedures that are new for parents. Please contact Ms. Lynch at Christina_L_Lynch@mcpsmd.org if you have any questions.
