Reading

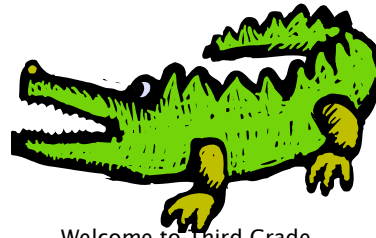

During the month of September students will read and identify the characteristics of realistic fiction. As we read we will be making connections to the text and identifying story elements.

Writing

The students will begin writing in their writer's notebook about memories and personal experiences. This will provide students with a wealth of writing material.

Science

There has been a crime in third grade!!! The students will be using their detective skills to solve crimes. The students will be identifying and classifying fingerprints.

Welcome to Third Grade

Social Studies

The students will explore the various resources found within our community. We will also determine how wants and needs affect the community.

Housekeeping Items

- Donations of tissues and disinfectant wipes would be greatly appreciated!
- Please check and sign your child's assignment book nightly.
- Students will be permitted to enjoy an afternoon working **HEALTHY** snack. Snacks **MUST** not interrupt instruction (no messy items please). A good snack would be pretzels, crackers, granola bars, fruit snacks or fresh fruit.
