

International Festival

January 28, 2012

Dear Glenallan Families:

We are beginning to plan and prepare for this year's International Festival. It will be held on **April 27, 2012**. If you are interested in having a table to represent your country or share artifacts, we would like to get that information now so that we may include you in this highly attended event. We would also like to invite parents to share information about their country with a classroom during the week of the festival. Would you please take a moment and answer a few questions and return the form to your child's teacher by **February 10, 2012**

Thank you for your time.
