

Glen Haven Elementary School

Pre– K News

HOLIDAY SEASON

December 2011

Mrs. Janise Wyche and Mrs. Gladys Franco

Thanks to all the parents who came for the November Parent Conferences. Parents and teachers working together to assist our children in a successful start in school is very important.

We have started our take home library books from our classroom. Your child can select a book in Spanish or English to take home for the family to read to him/her. When the student returns the book, he/she may select another book to take home. This program has been very successful for our Glen Haven Pre– K families.

All students will be screened in December for Hearing and Vision by Mrs. Smith, Hearing Technician from Montgomery County Schools

Parents, please go over the school lunch menu with your child everyday. It helps him/her to know what will be eaten at school. Also, tell your child about the food categories. For example, an apple is a fruit. Hot dogs are a type of meat. Bread is a starch. At home tell your child what you are fixing for breakfast or dinner and include food categories. This activity will help your child learn the names of both foods and their types or categories.

We are studying “Holidays Around the World”

and will start rhyming words games for the students. We will also study the letters “F” and “H” in the alphabet.

Important Dates:

Book Fair December 7-9, from 3:30-4:50pm in the media center

Holiday Concert December 15, 7-8:30 pm
Last day of school before Winter Break is Friday, December 23, 2011.

Winter Break December 26 to January 2, 2012
School starts again on January 3, 2012.

The Pre-K classes go to Technology/Computer Lab every Wednesday. The students are learning how to login their computer numbers. Please look in your child’s folder for an index card with the login numbers. Please practice the login numbers at home with your child.

Many thanks to all our
classroom
visitors during
this past month.
