## Prekindergarten News

NOVEMBER 2011

Mrs. Janise Wyche, Teacher  
Mrs. Gladys Franco, Paraeducator

### Parent Conferences

A parent conference sheet will be sent home with your child. Please send it back to school with your child so we can plan your conference. If you cannot come because of work, I can arrange a telephone conference with you. A reminder that November 10 and 11, 2011, are scheduled conference days and there will be NO PRE-K.

### Important Updates

November is a cold month. Please dress your child in jackets and hats for the ride or walk to school.

DO NOT SEND A SICK CHILD TO SCHOOL. IT IS NOT SAFE FOR THE OTHER STUDENTS OR YOUR CHILD.

During the month of November, the children will have their hearing and vision checked by our health technician. I will send home a sheet with the letter "E", in both Spanish and English, to practice with your child for the vision screening.

The units of study for the month in math will be *Big and Small, Short and Tall* and *Colors All Around*. For reading, the units will be *Letters of the Alphabet* and the *Supermarket*. The unit of study in science will be *Changes in Weather*.
