

Do You Need Headphones?

For health reasons, it is suggested that each student has his/her own set of headphones for computer use.

They can be purchased at most Dollar Tree stores for \$1.00. They are also available at Target or Wal-Mart for a slightly higher price. If getting to the store is a problem for you, please send in **\$3 cash or check payable to Goshen ES PTA** and we will sell one to your child.

They come in a sturdy plastic bag with a special adapter to some of the older equipment. We will write their name and teacher's name on the bag and deliver to their room.

Thank you, Your PTA
