

Highland View ES Dollars for Haiti

As soon as the Highland View community learned of the earthquake in Haiti, a fund raising campaign, *Dollars for Haiti*, began. We collected \$2000 dollars in one month and made a donation to the Red Cross. To express their appreciation, the Red Cross responded with a large poster and a letter detailing how our donation will be used.

The hope of tomorrow
is our greatest gift.
Thank you,

Dear Ms. Dardarian:

Please accept my sincere thanks for your incredible efforts to raise funds to help the people of Haiti.

The \$2000 your school raised is helping us make a huge difference in Haiti. Specially trained American Red Cross volunteers are delivering comfort in the forms of water, food, shelter, medical assistance, and emotional support to those affected by the earthquake. When I visited Haiti in mid-March, I saw your gift at work and I saw gratitude in the faces of the boys and girls and their families. Thank you so much for your generous spirits, for taking action, and for helping us bring hope to the people of Haiti.

Please continue your exemplary citizenship—the future depends on people like you who share their gifts of service and leadership. Thank you again for being part of our life-saving mission.

Sincerely,

Gail J. McGovern
