Textbook Chapters Covered on Assessment

## My Game Plan:

	I plan to:	Date Completed:
Go through your notes and highlight questions. Make sure you make time to ask a teacher to help you clarify.	<input type="checkbox"/>	
Complete study guide(s) carefully and ahead of time.	<input type="checkbox"/>	
Have a friend/parent/teacher create problems similar to study guide	<input type="checkbox"/>	
Revisit and redo old worksheets on a separate sheet of paper	<input type="checkbox"/>	
Seek help from your teacher during Lunch, Fly Time, After School or Before School	<input type="checkbox"/>	
Read chapters in textbook. It may take you 20 minutes to go through one example problem.	<input type="checkbox"/>	
See your teacher for suggestions on "trouble spots.	<input type="checkbox"/>	
See our teacher for their opinions on the difficult questions on test	<input type="checkbox"/>	
Take Notes when your teacher goes over the study guides	<input type="checkbox"/>	
Make sure you know how to use your calculator. Seek help from your teacher on tips and shortcuts.	<input type="checkbox"/>	

I verify that I have completed the checked off activities above.
