### Sportsmanship

Magruder High School follows all rules and regulations of M.C.P.S. and the M.P.S.S.A.A.. We remind everyone that one of the goals of high school athletics is learning lifetime values. Sportsmanship is one such value that makes athletics an educational experience. Please let your good sportsmanship show at every athletic contest you attend.

The Magruder Athletic Hall of Fame is now accepting nominations for the fall 2009 induction class. Student-athletes who graduated from Magruder (5 or more years ago), former Magruder coaches and administrators are eligible for nomination along with community members who have supported the athletic program. The nomination window is open until May 1, 2011. In May of 2011 the selection committee will meet to review all new and past nominations.

The forms and selection criteria are attached to this email. To submit and nomination download the forms and send to Mr. Scott Zanni at Magruder High School. If you wish to obtain more information about the Magruder Athletic Hall of Fame nomination and selection process (along with past inductees), please contact Scott Zanni at [Scott\\_A\\_Zanni@mcpsmd.org](mailto:Scott_A_Zanni@mcpsmd.org) or visit the Hall of Fame website at:

## **A PHILOSOPHY**

Interscholastic athletics supplement and support the academic mission of the school system and assist students in their growth and development. Athletics assists in promoting the importance of teamwork, effort, goals, and commitment. Interscholastic athletics is highly competitive, but winning is not the primary measure of success. Sportsmanship, respect for participants, and dignity in the face of adversity are more important than the outcome of the contest. All athletes do not perform at the same level, but all can demonstrate effort, dedication, and fair play.

## **SPORTSMANSHIP AND CITIZENSHIP**

An important mission of the interscholastic athletics program is to teach and reinforce values relating to sportsmanship, competition, and fair play. It is expected that team personnel, parents, and spectators respect this mission by exhibiting appropriate behavior at athletic events. Countywide team and school awards are presented annually to schools whose coaches, players, and fans, demonstrate a high degree of sportsmanship. Sportsmanship is an overt display of respect for the rules of sport and for all others. It also involves a commitment to fair play, ethical behavior, and integrity. This means:

1. There can be no vulgar or inappropriate language from our fans or spectators.
2. Taunting or trash talking of our opponents and their cheerleaders cannot be tolerated.
3. Spectators cannot leave the bleachers or enter onto the court or field during a contest.
4. Fans should be supportive and positive. Cheering should be done for our team and not against our opponent.
5. We should not impede or interfere with our opponent's cheerleaders from leading their cheers.
6. In some specific sports such as basketball and volleyball, we should not yell at an opponent during a foul shot or as a player attempts to serve.
7. School officials have the authority to remove a spectator (s) from a contest for unruly or improper conduct. The individual (s) may be removed for the duration of a particular contest or for any extended period of time depending on the severity or frequency of the improper conduct.
8. Possession of intoxicants and/or illegal substances is prohibited. Smoking is also prohibited on MCPS school ground.
