

# PARENT and GUARDIAN MEMBERSHIP FORM

## S. Christa McAuliffe Parent Teacher Association 2011-2012 Membership

- I understand that the main reason I should join the PTA is to benefit my child. In doing so, I am also helping the school. I understand that the PTA uses membership dues and fundraising efforts to provide my child and other students with curriculum-based programs, social events and enrichment assemblies that are not provided by the county, along with extras for the teachers.
- Becoming a PTA member, I am demonstrating to my child the importance of education.
- Yes, these things are important to me and I will join the PTA today!**

\$10 per person annual membership dues is attached.  Cash  Check (payable to Christa McAuliffe PTA)  
Your membership form can be returned in your child's Thursday Folder or dropped off at the office.

*Your membership does not require volunteering, joining a committee or attending a meeting. It simply shows that you support the efforts of the PTA volunteers and the programs that are outlined in the PTA Handbook.*

We know everyone cannot do things alike; however, we believe there is at least one thing that everyone can do. PLEASE COME OUT AND SHARE with us your talent and expertise by volunteering. If you cannot come to school during the day, there are plenty of ways to help from home! It's easy to get involved with the school!

**Ask me: I am interested in volunteer opportunities! Mark areas of interest!**
