

# Easy Money for McAuliffe

There are four great and easy ways to support McAuliffe Elementary School and the PTA: Boxtops 4 Education through General Mills, Labels for Education through Campbell's Soup, Giant Food Bonus Cards and Safeway Escript. Each one of these programs takes purchases that you would have made anyway and turns them into support for our school!

## BoxTops 4 Education

The Boxtops 4 Education are found on most General Mills boxes, so, check out your Lucky Charms or Cheerios and cut out the little rectangle that says Box Tops. Boxtops 4 Education gives the PTA .10 cents for every label that we submit. Go to <http://www.boxtops4education.com/> for information on products that are eligible.

## Campbell's Product Labels

Campbell's soup labels are found on more than just soup, look for the little guy in a graduate hat on Goldfish crackers, V8 juice and much more, cut out the UPC code and the little guy in the hat. These labels can be turned in to the school, just send them in with your child's folder. With Campbell's McAuliffe earns points for every UPC code turned in. Those points can be used to purchase important items for the school. Go to <http://www.labelsforeducation.com/default.aspx> for a list of eligible products.

## Giant Food

The purchases that you make at Giant give a percentage of the sale directly to the school. Go to [http://www.giantfood.com/aplus/pin\\_aplus.htm](http://www.giantfood.com/aplus/pin_aplus.htm) to register your bonus card for McAuliffe Elementary.

## Safeway

When you sign up for Escript on-line, your purchases from Safeway, Target and many more give money right to the PTA. Go to <http://www.escrip.com/> to register your Safeway card.

Please be sure to send in your Boxtops and Campbell soup labels in your child's homework folder or drop them in the box in the copy room. If you haven't renewed your Giant and Safeway cards this school year, please do so now.

Please contact Nicole Quiroga at [Nicole\\_L\\_Quiroga@mcpsmd.org](mailto:Nicole_L_Quiroga@mcpsmd.org) or 301-520-8311 if you have any questions or if you would like to help with these programs.

Thank you for your support!
