

MENTORING

Meadow Hall Elementary has a mentoring
program run by
Ms. Tanen, the counselor.

Our staff (teachers, paraeducators, cafeteria staff, maintenance personnel, administrators, and interns) are the mentors for students who are identified as needing extra support to succeed in school. Mentors and mentees meet about twice a month. Many share lunch, time before school, time after school, or special time in-between. The mentor is meant to be a trusted adult to whom the student can turn when he/she is having trouble with academics, with friends, with behaving in class, or even to share in a triumph or success!

Our mentors make a positive difference in the lives
of their mentees.

We are so thankful for the efforts they make!

There is currently a waiting list for assigning mentors to students. If you would like your child to be on that waiting list, please contact Ms. Tanen at Julie_M_Tanen@mcpsmd.org
