

# King Cha Ching

**What:** King Cha Ching is an incentive ticket that you can earn from any staff member in the building, as well as bus drivers.

**How:** You can earn King Cha Ching by displaying core value behavior (Respect, Responsibility and/or Integrity) above and beyond or on a consistent basis.

**Why:** The staff at MLK believes that demonstration of the core values will lead to academic excellence and make MLK a fun and safe place to learn.

**Where:** You can earn King Cha Ching in any location at MLK and on the school bus.

**When:** You can earn King Cha Ching when a staff member or bus driver notices you displaying core value behavior above and beyond or on a consistent basis. *BUT- you must not ask to be awarded King Cha Ching- that would not be showing our core value of Integrity!*
