From the Principal's Desk

Thank you to the PTSA leadership for all your efforts and service this year! You deserve a round of applause! A Heartfelt Thank You to Parents and Staff Too!

Many of you parents and teachers who have given a little or a lot of yourself to support our children and the school this year, we thank you. Whether you are a PTSA member or not, your participation in school events, letters of support, donations of time or money, contributions of cans or time spent copying flyers, time spent talking to your children about school activities, all contribute towards making the school the special place that it is.

Summer Reading and SSL

For parents of in-coming 6th graders, there are a number of things we suggest to make sure your child has a smooth transition into middle school. The summer before middle school is an excellent time for students to work on their Student Service Learning hours (SSL). Our **SSL coordinator Ms. Marlen Gonzalez** may be accessed by the school website for suggestions and information. Ensuring students read regularly, in addition to their summer reading assignment, is the very best way to build vocabulary skills and eventually help them meet their maximum potential on standardized tests as well as in the classroom. Nothing is more of an indicator of school success than kids who read for pleasure. Please encourage your kids to read.

Summer reading information is on the Neelsville website; I strongly urge students to begin this important process early in the summer and not put it off until the last minute. Summer reading is an MCPS requirement and a way to reinforce the importance of reading to our students.

Summer School

Neelsville MS will have summer school in our building this year. Our summer school session runs July 5–July 29, 2011 from 7:45 a.m.– 11:30 a.m. Mr. Ryan Summers will be our summer school coordinator and information, costs, and registration forms were mailed home in May. Funding for our program depends on the number of students that enroll; however, there is a minimum class enrollment of 15 students per class for it to be offered.

We will be offering the following courses:

Support Reading 6, Support Reading 7, Support Reading 8
Support Math 6, Support Math 7, Support for Algebra
Focus on Math 7, Focus on Algebra, ESOL and Reading

GOOD KNIGHTS

The Good Knights is a group that was designed to recognize and reward students who demonstrate great initiative, effort, achievement, citizenship, and respect in our school. Students **are recommended by teachers** and **elected by their peers** to serve as role models and positive representatives of Neelsville.

The Good Knight members participate in a number of activities designed to recognize achievement and help the community. Previously, we have helped raise awareness of the genocide in Darfur, sponsored a trivia contest for Hispanic Heritage Month, and made Valentine's Day cards for patients and staff at Children's Hospital. Currently, we are raising money to help victims of the recent natural disasters, and organizing a Staff Appreciation activity. If you would like to help with the fundraiser, please see contact Ms. Nachlas at Sarah_B_Nachlas@mcpsmd.org, Ms. Shpilyuk at Sofya_A_Shpilyuk@mcpsmd.org or ask a Good Knight what you can do to help.

We are pleased to announce that 10 of our 7th graders and 12 of our 6th graders have been recognized as being positive members of our community and have been elected by both their teachers and their peers to be Good Knights. Please congratulate them on receiving this great honor.
