NHE NEEDS YOUR HELP:

In order to keep our students healthy – a donation was made to supply all classrooms with hand sanitizer that students can use as needed.

Unfortunately – our supply of hand sanitizer is running out and we need your help.

If you feel you can, would you please send in a bottle of hand sanitizer (or more) with your child for his/her classroom.

With your help, we will be able to continue having a clean and healthy school for all.

Thank you so much,
Mrs. Litchko, Principal
