New Parent Website

A new parent-focused website has been developed for parents of students who require special education services or parents of students who are in the beginning stages of the special education process. The new website is designed to answer frequently asked questions about the special education process and who to contact if you have specific questions regarding services and how decisions are

made. The link to the website is:

Box Tops Update

We would like to thank all of the students, parents and staff who have been saving their Box Tops. We have raised a total of \$578.90 between April 2010 and October 2010. Please continue to send in your Box Tops.

Access After Hours

We would like to remind parents and students that they are not allowed access to classrooms after school hours. If a student forgets their homework or any other item, they will need to retrieve those items the next school day.

Time to Update Your Child's Change of Clothes Time to Update Your Contact Information

Change of Clothing

At the beginning of the school year many students in Pre-K and Kindergarten came to school with a change of clothes. Many of these items were summer clothing. With the cold weather, the students need long pants and tops with long sleeves included with their change of clothing.

Change of Contact

Information

If you have recently changed your address or telephone numbers, we need you to contact the school's main office to update your contact information. We need updated contact numbers in case of an emergency.

Do you have new names to add to your child's pick-up list? We need you to complete a new student information card to include those names.

Students will not be released to individuals whose names are not listed on their cards.
