Breakfast Open House / Parent Math Workshop Thursday, January 26, 2012

Parent Math Workshop
Thursday, January 26th
at 9:00AM

Our next Parent Math Workshop will take place on Thursday, January 26th at 9AM. Our Math Content Coach, Mrs. Sharpe, will share information and strategies related to geometry and basic facts. All parents attending the workshop will receive a free gift and be eligible to win a gift card. Spanish transla-

tion will be made available.

Thank You -Food Drive

We would like to thank everyone who contributed to our food drive. Hunger continues to be an issue for many of the families in our community so we will have a second food drive during the month of February.

Box Tops Update

We would like to thank all of the students, par-

ents and staff who have been saving their Box Tops. We have raised over \$700 between May 2011 and November 2011. Funds raised will go towards programs for students and staff. Please continue to send in your Box Tops.

Access After Hours

We would like to remind parents and students that they are not allowed access to classrooms after school hours. If a student forgets their homework or any other item, they will need to retrieve those items the next school day.

MARK YOUR CALENDARS!

Schools are closed on Monday, January 16th

Students do not attend school on Monday, January 23rd

Lost and Found—Located in Main Hallway

Lost and Found Items

Now that winter has arrived, you may be looking for those sweaters, hats, gloves and coats that your child has misplaced. If you are missing any of

these items, come in and check our Lost and Found racks. We have three racks full of many unclaimed items. Anything left in the bins at the end of the year will be donated to an organization.

The Lost and Found racks are now located in the hallway right outside the main office.
