## Superintendent's "Listen and Learn" Events Additional Dates Released

Montgomery County's new Superintendent of Schools, Dr. Joshua Starr, will be holding three additional "Listen and Learn" events in our area. Each event is from 7:00 to 8:30 p.m. The first is at Long Branch Community Center on October 18, the second is at Wheaton High School on November 7, and the third is at Sherwood High School

on November 21. Each event is an opportunity for parents and community members to meet Dr. Starr and to offer their views and perspectives on what is working well in MCPS and what the school system can do to improve. Dr. Starr has a keen interest in hearing directly from parents as he sets his priorities for the school system. These

events are also opportunities for parents to learn more about his educational philosophy and leadership style. We encourage all of you to attend one of Dr. Starr's "Listen and Learn" events. Childcare and interpretation services will be provided. Additional information is available on the MCPS website at [www.montgomeryschoolsmd.org](http://www.montgomeryschoolsmd.org)
