

After Prom

Susan Austin

The parents of NWHS are committed to providing our Prom-going Juniors and Seniors with a safe, supervised and fun-filled all-night celebration. Our most important goal is to keep students safe and to avoid alcohol, drugs and driving at a special time in their lives.

Each all-night celebration may differ in theme. However, each offers their students a passport to a night of contests, prizes, fun, food and companionship with their classmates in an alcohol-free and drug-free setting. The success of these celebrations is the result of the efforts of parents and volunteers, the support of the high schools and local government, and the generous contributions of local businesses and professional, religious and community organizations.
