

## The PTSA welcomes....

the parents, friends,  
students and neighbors of  
the Northwest High School  
community!

My name is Stephanie Ineh and I am so pleased to be serving for my second term as PTSA President for the 2011-12 school year.

The PTSA your membership will assist us in supporting NWHS:

- **Administration and Teachers** by providing supplies, technology, grants and continued appreciation for what they do for our children every day.
- **Parents** with information and tools to assist their children in achieving academic excellence through SAT/ACT preparation and informative guest speakers.
- **Students** by providing a fun, safe environment for After Prom and challenging their creative imaginations through the Reflections program.
- **Community** by working with the NWHS Boosters to build the unity and school spirit within our school, neighborhood and community.

Please help us achieve these goals by becoming a member and sharing a just a few your hours during the year to support us with an event. It will take all of us to make this work. Join in with the PTSA in support of Principal, Lance Dempsey's charge...

**“All for one, and one for all!”**

Looking forward to a wonderful year!

Stephanie Ineh  
President  
Northwest High School PTSA, Inc.  
13501 Richter Farm Road  
Germantown, Maryland 20874
