Homework Club 2011-2012

The John Poole Middle School (JPMS) Homework Club is designed to provide a supportive, focused, and quiet setting in which students can seek assistance when completing their homework assignments. The dates and times for Homework Club will be announced at school and posted in the *Back Pocket* as soon as the information is available. All students are eligible to participate in the club; however, space is limited. Complete the registration form printed on the reverse side of this notice and return it to the main office at JPMS before your child attends his or her first session.

To maintain an appropriate study and learning environment the following expectations will be maintained.

Students will:

- Follow all JPMS PRIDE expectations and MCPS internet policy.
- Check in with the club sponsor by 2:25 on the club days.
- Arrive with all their supplies and materials needed to complete their assignments.
- Bring a book for silent reading when they have completed all homework assignments.
- Remain in the Club location until 3:55 when the activity buses arrive.

Attendance is an important indicator of student commitment and will be taken daily. Students who fail to meet the outlined expectations will not be permitted to participate in the club. All questions can be directed to your child's school counselor.

The Timberwolf community experiences joy in learning,
celebrates excellence, and values positive relationships
