

John Poole's **BACK POCKET**

November 11, 2011

A Thought for Today:

"On this Veterans Day, let us remember the service of our veterans, and let us renew our national promise to fulfill our sacred obligations to our veterans and their families who have sacrificed so much so that we can live free."

- Dan Lipinski

Living with **PRIDE**

Veterans' Day is a reminder that we didn't invent the core values of **Purpose, Respect, Integrity, Dedication** and **Effort** that we teach our students every day at JPMS. These character traits describe the members of the armed forces who have served our country so valiantly in the past and who continue to offer their lives in commitment to the ideals that make our country great.

This year, following the retirements and transfers of several staff last spring, is the first year in my professional life that I have worked on a staff without a single colleague who is a veteran. When we had a draft, every family experienced the sacrifice of having a loved one risking his or her life to protect our country. Now, the all-volunteer army has changed all that, and the soldiers from the era of universal conscription are aging. Many children no longer know first-hand what it means to serve.

As your family gathers for the holidays this fall and winter, think about spending some time with your children and the older members of your family talking about the loved ones who served in the military and what it was like for those who waited at home for their return. Before the memories of World War Two, Korea and Viet Nam fade away, our children deserve to know that heroes won their way of life by showing their purpose, respect, integrity, dedication and effort on behalf of us all.

For a little inspiration, here's a link to History.com's "It's Never Too Late To Thank a Veteran" site. The videos are short but very inspiring. <http://bcove.me/0xzyx48y>.

Please look for the article further along in this issue about the new Visitor Management System coming soon to JPMS. It will change many of our procedures, so we all need to know how to prepare!

Hallway Heroes

Hallway Heroes are students we honor for demonstrating exemplary **PRIDE** behaviors as they move from class to class, helping to keep our hallways safe and comfortable for everyone.

The students recognized below consistently demonstrate **Purpose, Respect, Integrity, Dedication** and **Effort** everywhere they go at JPMS. They are **Hallway Heroes** and we are proud to celebrate their high expectations and their Timberwolf PRIDE!

Math Night Is Next Tuesday – November 15

Come for Pizza at 6:00 PM

Of course it's rushed on a school night to get dinner on the table and make it out to a meeting, so we're inviting you to relax and enjoy your Tuesday night instead!

- Relax about dinner – you can purchase pizza in our APR and enjoy your meal with no cooking and no clean up!
- No need for a baby sitter – there will be events for the whole family beginning at 6:40.

Stay for Math Games, Prizes, and More!

- Staff will run activities to get kids excited about math
- Mrs. Boucher will review the math curriculum, how it is changing, and how to make sure your child is ready for all the opportunities coming up in high school.

Don't Miss It!

The New Visitor Management System Is Coming Soon

The letter reproduced below from Larry Bowers, MCPS' Chief Operating Officer, announces that our school will soon be getting a computerized mechanism to use when visitors come to JPMS. About half the schools in the county already have this system in place, and the roll-out will continue until every school is hooked in.

MONTGOMERY COUNTY PUBLIC SCHOOLS
MARYLAND
www.montgomeryschoolsmd.org

November 2011

Dear Parent or Guardian:

A network-based electronic visitor management system soon will be installed in your child's school to assist principals and school staff in identifying and verifying business of visitors to the school. This new visitor management system is part of a systemwide Montgomery County Public Schools (MCPS) initiative that eventually will be implemented in all schools.

The new visitor management system is an automated system that replaces the current paper/pencil sign-in/out logs for visitors. The new system will provide a computer, scanner, and printer to the school. Visitors' driver's licenses will be scanned, and those without identification will manually enter their information. All visitors will receive a badge to wear while in the school building and are expected to return the badge before leaving the building.

This visitor management system provides administrators convenient access to several reports; e.g., in the event of an emergency/crisis, visitor accountability is easily accessible. Administrators also can track the number and purpose of visits to their school, including the number of volunteers and volunteer hours. While schools were able to do this in the past, it was a time-consuming task.

The safety and security of our students and staff are an MCPS priority, and this new system is intended to enhance MCPS security measures to ensure a safe and secure learning and working environment. If you have questions regarding this system, please contact the staff of the Department of School Safety and Security at 301-279-3066.

Sincerely,

Larry A. Bowers
Chief Operating Officer

The Visitor Management System (VMS) is intended to enhance security for our students and staff – and that is a good thing – but it will take a little getting used to.

Every school in the county has a big sign on all the doors that tells visitors they must report directly to the main office. The intention is to make it possible to identify strangers before they come into contact with children and to be sure that only people with legitimate reasons to be there are at large in the building. The sign-in sheet and visitor's badge also help by allowing us to monitor how long someone has been at school and by making clear to everyone that a stranger has permission to be in our halls. I have to admit that we have often been lax about these procedures, allowing frequent volunteers to come and go without visitor's badges because so many of us know these wonderful folks – but when you think about it, substitute teachers, maintenance staff and other parent volunteers may not know them or feel comfortable that they can be trusted. It's just a good idea to follow the same procedures for everyone.

The VMS will help. The way it works is that visitors have their driver's licenses scanned (or provide their name and address if they don't drive) the first time they enter the building. That takes a little time, but once it is done, the visitor is in the system and the next time he or she comes in, a simple swipe of the license will do. A visitor's badge with the person's name and the date is printed, and we're in business.

The computer is hooked up to a data base that will tell us some things we wouldn't ordinarily know. For example, it will identify registered sex offenders and those with restraining orders preventing contact with children. In this way, it keeps our students safe and has foiled more than one kidnapping attempt by an estranged parent. **The VMS will not show arrest records or immigration status – it is only designed to protect the security of our children, not to track down people in trouble with the law.**

Eventually, we will ask everyone who comes through the main doors from our lobby into our hallways to be checked in through the VMS and wearing a visitor's badge – even our "regulars". It won't be necessary to do all that if you are coming into the main office only – you can still drop off a forgotten lunch without scanning your driver's license – or if you are attending a drama production in the APR, but going to your child's locker or visiting the Counseling Office will require you to use the VMS.

For the moment, however, I know we aren't ready to use our new equipment. It is in the process of being hooked up, and then we all need to be trained to use it. That will happen in the next week or two, but we are still going to wait a little before activating the system. We need a chance to register the folks who come to JPMS on a regular basis.

Imagine the wait if we tried to get everyone coming to the Honor Roll Celebration on November 23 into the system as they arrived! It just isn't reasonable. We'll be asking everyone who drops in during November and December to take a moment to get into our system, and I'll keep the office open late a few evenings for people to be able to run up after work and register. Then, we'll activate the VMS and only newcomers will need to be entered in.

I know this new system will add an extra step to your visit to JPMS, but it will help us be sure our kids and their teachers are safe. Please watch the *Back Pocket* and ConnectEd for updates on when and how to get yourself into the system, and thanks for working with us to put this new technology in place.

Some of the activities scheduled for this year are Books and Boxing, Babysitting Club, Jewelry Making, Zumba Class, Scrapbooking, Photo Club and much more. Keep checking the *Back Pocket* for upcoming classes. It is our goal to provide activities to meet the desires of all students. If you have any suggestions for new programs, please contact Mrs. Crutchfield at Winessa_R_Crutchfield@mcpsmd.org.

RecExtra needs your donations: Wrapping paper, beads and old jewelry, fabric and textbook supplies. Please drop all donations in the RecExtra box in the front office. Thank you!!

Thanks and Giving Trees

Do you enjoy celebrating fall? Decorating the house, lighting spicy scented candles, carving pumpkins, baking goodies, or nighttime campfires? The Leo Club would like you to add another tradition - Thanks and Giving Trees.

Each family (or child) has two trees, one labeled Thanks and the other Giving. Each evening before family dinner, cut out a leaf, write something you are thankful for on it, and glue it to the Thanks tree. On another leaf, write one thing you've done to serve or give to others that day. This leaf goes on the Giving tree. Serving can be as simple as smiling at someone, singing a song to a crying baby, helping a classmate, or writing a letter to Grandma.

By Thanksgiving your trees are full of leaves. You can spend Thanksgiving evening reading what each person is thankful for and what they have done to help others that month. We want to help your family's hearts fill with gratitude for all that we have to be thankful for. The Leo Club's eyes have been opened to the service we can do, simple as it may be, to spread kindness and goodness to others around us.

The Leo Club is selling the Thanks and Giving Trees. We also have place cards and non-edible paper Thanksgiving fortune cookies. All money raised through the decoration sale will go to fund Thanksgiving food baskets for families in need in the JPMS community. (Suggested donation \$15 for the trees) You can order your trees by filling out the order form below and returning it to the front office or email to Mrs. Auel. Please email Mrs. Auel with questions [Kari R Auel@mcpsmd.org](mailto:Kari_R_Auel@mcpsmd.org)

Dig out your gloves and tools!

We need your help!

YOKE DAY

Saturday, November 19, 2011

8:30 a.m to 1:00 p.m.

At the MCPS Lathrop E. Smith Environmental Education Center
5110 Meadows Lane, Rockville, MD 20855

We have projects for volunteers of all ages and abilities, so come out and enjoy the out-of-doors. This is a great opportunity for students to earn *Service Learning Hours!* Students 14 and under must be accompanied by an adult.

We will begin at 8:30 a.m. with a light breakfast (coffee, tea, hot chocolate, muffins, etc.). Projects will begin at 9:00 a.m. and lunch will be served around noon.

If you have gloves, it is a good idea to bring them. We also need extra rakes, pitchforks, and wheelbarrows if you have them and can bring them. Put your name on your equipment; we don't want anyone to lose their tools. If you don't have tools—just bring yourself! Make sure you dress for the weather—it will probably be chilly—perfect for vigorous outside work!

Please give us a call or email (Vicki_L_Frank@mcpssmd.org) to let us know if you plan to attend, 301-924-3123!

Rain date - December 3, 2011

Announcing –

Yearbooks

Yearbooks can be pre-ordered through Jostens only. If you do not pre-order a yearbook, you are not guaranteed a yearbook. You can go to www.jostens.com today to pre-order your yearbook. If you have any questions, please contact Kelly Aulls at Kelly_M_Aulls@mcpsmd.org.

Drama Club

The Drama Production in December is in need of costumes and props. If anyone has a lab coat or jacket, stethoscope, and surgical masks for the character of Dr. Frankenstein please contact Mrs. Turner at dturner322@aol.com Any creative ideas are appreciated. We also need prom/bridesmaids dresses. Thanks in advance.

MC Adventures

Montgomery College Workforce Development & Continuing Education Youth Programs invites students to register NOW for a one-day enrichment program for students in grades 4 - 6, on Saturday, November 19, 2011 from 9:00 a.m. to 2:50 p.m. on the Takoma Park/Silver Spring campus of Montgomery College.

Students will have an opportunity to select three workshops to participate in during the day. Workshops cover a variety of topics, including storytelling, art, robotics, chess, technology, and physics.

Also, a special optional two-hour adult workshop is available on bullying, called, "Beating the Bullies." Don't miss this special workshop on such a "burning" topic.

Workshops fill quickly, so register right away! For additional information, contact us at 240-567-7264 or 240-567-7917 or access our website at www.montgomerycollege.edu/youth

Missing SSL Hours?

Don't worry – there was a change in the recording process for SSL hours this quarter. Some hours did not get recorded in time to show on the first report card. These hours will appear on the next report card. Any questions? Call Mrs. Arnold in the Counseling Office.
