

House Communication Information

In order to facilitate communications from the Houses, Listservs have been organized. The Listservs are used by the Head of House and the PHS Magnet Coordinator to help keep parents informed of House information. Changes in schedules, updates on events and other pertinent information will be sent through the Listservs. PHS also has a Falcon Updates Listserv, which provides whole school information. Our PTA has a PTA listserv that keeps families updated on PTA information. Parents are encouraged to sign-up for our listservs.
