

## PRIVATE INSTRUCTION LIST (piano/voice/guitar)

Updated 4/11/2006

The following current and former **MCPS general/choral music teachers** have indicated their willingness to be listed as private piano, voice and / or guitar teachers and the student levels they will instruct. They understand that it may be considered a conflict of interest to accept, as a private student, a student in a school at which they teach. Performance style(s) (e.g. jazz, classical only, etc.) should be discussed with each contact. Fees vary and should also be discussed directly with the each teacher.

Please contact your local area schools' music teachers who may be able to refer you to non-MCPS / additional instructors

This list is being supplied to you as a service of the Montgomery County Music Educators Association.
