Dear Quince Orchard High School Community,

It is with deep sadness that I inform you of the passing of Tyler Terry, a 12th grade student at our school. Tyler passed away this morning.

For those of you who knew Tyler, we ask that you remember and celebrate his passion for football, his love of his family and friends, and his great big infectious smile. For those of you who did not know him, we ask that you support Tyler's friends and family during this time of loss.

It is very difficult for all of us to face the death of a young person. Monday, a team of psychologists, counselors, and pupil personnel workers will be available to provide counseling and support to students as needed.

Please join me in extending our heartfelt sympathy and support to Tyler's family and friends.

When we receive word regarding funeral arrangements, I will share the information with you. As always, please do not hesitate to contact me should you have questions or concerns.

Sincerely,

Carole A. Working
